

# RAPTORS

## Design & Name the Mascot

The new WCL Ridgefield Raptors have requested Ridgefield student participation in naming and designing the new mascot. Yes, the team name is RAPTORS, but they need a design for the mascot costume, and a suitable name for him/her...and that's where you come in!

Community Education is hosting 3 FREE workshops to assist students in entering the RAPTORS Name the Mascot contest. The workshop will include the rules/guidelines for entries and allow time to get started (possibly finished) with the artwork.

Winner and runner-ups will receive recognition at Ridgefield School District Night (TBD).

The winning design idea will go to a professional for the final costume design & production.

All qualified entries will receive 1 free ticket to Ridgefield School District night.

Ridgefield students have 3 opportunities to attend this FREE workshop:
